By his conduct during the enquiry and the actual arrest, Inspector Harish Chandra Sen averted an attack by local terrorists on district officials, and his personal gallantry in apprehending these armed deserters was of a most meritorious character. Head Constable Lakshmi Singh and Constable Harendra Kumar Bhattacharji displayed conspicuous gallantry in attacking and overpowering them at very considerable personal risk.

NOTIFICATION.

No. 375L.—12th April 1943.—The following statement of the reasons which have moved the Governor of Bengal to enact the Bengal Finance Act, 1943, in exercise of the powers assumed to himself by the Proclamation, dated the 31st day of March 1943, issued under section 93 of the Government of India Act, 1935, is published for general information:—

Statement.

The object of the Bengal Finance Act, 1943, is the same as the object of the Bengal Finance Bill, 1943, which was introduced in the Bengal Legislative Assembly before the issue of the said Proclemation by the then Finance Minister of Bengal who, in introducing the Bill, explained its object and the reasons which had necessitated its introduction. The issue of the said Proclamation has not affected those reasons.

The Bengal Finance Bill, 1943, after its introduction in the Bengal Legislative Assembly, was referred to a Select Committee of that Chamber This Select Committee examined the Bill and duly made its report thereon suggesting only one change in the Bill which was in effect that small consumers of electricity should be given a greater measure of relief from the increased incidence of electricity duty which would result from the enactment of clause 6 of the Bill. This change suggested by the Select Committee has been adopted in making the Bengal Finance Act, 1943, and the operative provisions of the Act are identical in form and substance with the parallel provisions in the Bengal Finance Bill, 1943, as so changed by the Select Committee.

By order of the Governor,

G. M. RATCLIFF,
Secy. to the Govt. of Bengal.

Rampur Boalia, the 17th April 1943.

DEPARTMENT OF AGRICULTURE, BENGAL

Calcutta, the 2nd April 1943.

Forecast of the Rabi Crops of Bengal for the year 1942-43.

(*Note.*—On an average of the 5 years ending 1940-41, the area under summer rice in Bengal has represented some 0·6 per cent. of the total area under rice in India.)

Character of the season.—Sowings commenced under favourable conditions and effect of the weather on the growth of the crops have been favourable. The crops in certain areas were, however, adversely affected by heavy rainfall and cyclone.

Acreage.—The normal area under the different *rabi* crops dealt with in this forecast is estimated at 3,751,400 acres. The area sown this year is reported to be 3,732,500 acres as against 3,588,900 acres last year. Of this the area under summer rice is reported to be 445,000 acres as against 443,600 acres last year, and that under tobacco is 269,200 acres against 321,500 acres last year.

Outturn.—According to the District Officers' estimates, the average outturn of the different *rabi* crops for the province, as a whole, works out at 83 per cent. of the normal as against 82 per cent. last year.

Summer rice and tobacco crops.—The outturn of summer (*boro*) rice for the province as a whole, according to the District Officers' estimates, is 92 per cent. of the normal as against 93 per cent. last year. The gross yield of the crop for the province on a basis of the normal yield of 13 3/5 maunds of clean rice per acre is estimated at 204,500 tons this year as against 206,100 tons (revised) last year.

The outturn of tobacco crop is estimated at 82 per cent. of the normal as in the last year. Taking 1,151 lbs or 14 maunds as the normal yield of the crop per acre, the gross yield of the crop for the province this year is estimated at 138,225 tons this year as against 135,600 tons (revised) last year.

I consider the above forecast considerably out both in area and yield as to affect the final outturn by at least 25 per cent. in all crops except tobacco.

M. Carbery,

Director of Agriculture, Bengal.
